## Lendy Park School Extra Lesson Policy

### Extra Lesson Policy Statement:

1. No extra lessons with a Lendy Park Child, **that are compensated in any way** (in cash or kind) by the parent, guardian or any other person, may be carried out on the school property or between the hours of 7:30 am and 4:30 pm. from Monday to Friday during the school term.
2. No extra lessons at any time **that are compensated in any way** (in cash or kind) may be carried out by a teacher who is currently teaching that child.
3. It is the responsibility of the teacher to ensure that the child is adequately taught during lesson time so that the need for additional help is negated. If there is a need for additional work, this is the teacher's responsibility.
4. Should a child require additional tuition, the Deputy Head should be informed and, if necessary, the child should be sent to the Curriculum Support Teacher.
5. This policy does not prevent the teacher from providing additional help to the child outside of the normal classroom time, but they may not be compensated in any way (in cash or kind) for this time by the parent. If this is happening, the Deputy Head should be informed.
