FIRST HALF TERM MERITS

Grade 1	Angel Dick for working exceptionally well. Colourful work always.
Grade 2	Ryan Mutandi for doing his exercises very well and submitting them promptly.
Grade 3	Arnold Maronjese well-presented and neat work in all exercises.
Grade 4	Bailey Chigodora very consistent from the onset of online learning, and brilliant skills in story writing.
Grade 5	Claire Nel for putting a lot of effort into her work and doing her corrections.
Grade 6	Tiffany Kwanayi consistent from the time we started online learning.
Grade 7	Nashe Sachikonye joining all the live streaming lessons and completing every task well and on time.

OPENING OF SCHOOLS

I am aware that many of you are anxious about the situation concerning the opening of schools. The Government has set Tuesday 28 July as the date for opening of schools starting with the grade 7s then followed by the grade 6s. At the moment the school does not have many details about how this is going to be done. As a school, we have decided to continue with Offsite learning until the end of July. I will communicate with the parents later about when the term will end. The deposit charged will be the fees for term 2 unless children come to school before early August.

GOOGLE CLASSROOM

This is to remind parents that Google Classroom can now only be accessed with Lendy Park School e-mail address. This was done to enable teachers to manage their classroom well and know the children who are taking part in the lessons. If you are struggling to log in, please get in touch with Mr Sengwe on 0775260089 or complab@lendypark.com

COVID 19

As part of our preparations for the opening of schools, please note that vehicles will no longer be allowed in the school with effect from 29 June. The cars will be parked just outside the main gate. At the gate they will be a **temperature check** (No one with temperature above 37.5 will be allowed in the school) and **all** visitors are then required to **wash their hands** thoroughly before entry into the school. They will then proceed to the secretary's office where hands will need to be sanitized. All visitors without a mask will not be allowed in the school.

REPORTS

This to remind parents that we will be doing reports for all classes this term based on the Offsite work the children are doing with their teachers.

I continue to pray for your safety during this time.

Yours faithfully
