Online Lessons

I would like to appeal to parents to encourage their children to participate in the live lessons as these enable the teacher to explain any work to the children. Work given to children needs to be returned quickly to enable the teacher to assess the progress being made by each child. The educational packages are used to support the work being done and are not meant to be the only source of learning for the children.

Once again, I would like to extend my sincere thanks to all our parents for the support you provide in ensuring the success of our online schooling.

Wash your hands regularly; always wear a mask and have a socially distant time. Stay healthy, stay safe!

Kind Regards,

Lenard S Mudiwa
(Headmaster)
