Grade 7 Examinations This Week

Our Grade 7s finish their Grade 7 ZIMSEC examinations on Monday. Below is the timetable:

Monday 7 October: English Paper 2

Fear not, for I am with you;
be not dismayed, for I am your God;
I will uphold you with my righteous right hand.

Isaiah 41:10

Excusez-moi... Français?

Now that our Grade 7 pupils have completed the ZIMSEC examinations, and we eagerly anticipate the results, they will participate in an enrichment programme designed to prepare them for the significant changes awaiting them next year.

With Mrs Norman now on board, we are pleased to offer conversational French lessons, English and Shona literature studies, life skills, chess and much more. We are also excitedly looking forward to their talent show.

In addition, they will be visiting Jabulani Safaris in Matabeleland to further build on the skills being taught. This will be followed by the leavers' dinner at the end of the term.

A busy but valuable end to the year and their time at Lendy Park School.
