## Be Counted

On Saturday, 26<sup>th</sup> October, we will be hosting our annual Inter-House Gala, following the Parents' Association Annual General Meeting (AGM).

This year, we have combined both the infant and senior galas to minimise the time parents need to take off work and to reduce classroom disruptions for our pupils.

The Parents' Association meeting is essential for all parents to attend. During the AGM, you will have the opportunity to elect the office bearers for 2025 and share your thoughts regarding next year's school fees. The school will present a proposal for discussion and voting, as we collectively navigate the financial challenges currently facing our nation. Your participation and input are vital in shaping these important decisions.

I look forward to meeting with you all next Saturday.
