## Shooting Blindfolded.

To achieve success as a school, we first need to define what success means; without this, we risk falling short of our goals. Our vision and [Expected Student Outcomes](#) are key to defining this success.

In school, these are regularly reviewed with the children as we work to meet the expectations of both parents and Trustees, whose role is to ensure that our vision is upheld. You can support us in this by familiarising yourself with the Expected Student Outcomes and reinforcing these principles at home.

Together, we can make anything possible!

## Lendy Park Vision and Values

To maintain a standard of excellence in all areas of teaching through dedication and commitment; to teach the child biblical foundation principles to help each one grow in his or her relationship with God; to help each child to grow to his or her potential.
