Together, We Can...

Last weekend, we hosted our annual Fun Day, and what a truly wonderful family occasion it was.

The objectives of the day were threefold: firstly, to increase our presence and visibility within the Marondera community and beyond; secondly, to provide an opportunity for our parents to socialise and spend quality time with their children; and finally, to raise funds for the development of our school. This year, our fundraising efforts are focused on constructing a changing room and ablution block near the fields for the convenience of both children and parents. Those who endured the long queues for the toilets by the offices - reminiscent of the fuel queues of the not-so-distant past - will undoubtedly agree that this is a much-needed development.

This event would not have been possible without the tireless dedication of our Parents' Association executive, led on this occasion by Dr N. Tawengwa, along with the team of parents and staff who supported her. We owe them all a great deal of gratitude.

A heartfelt thank you to everyone who contributed to the success of the day, whether as members of our school community or as visitors. Your support is deeply appreciated.

A Heartfelt Thank You to Ruzawi

We would like to extend our sincere gratitude to Ruzawi for generously lending us their tractor and mower.

With the recent rains, the grass has been growing rapidly, and unfortunately, our ride-on mower is currently out of service while we source the necessary spare parts. In the meantime, we have been attempting to maintain the fields using push mowers, which have been struggling under the pressure.

Ruzawi's support has been invaluable, and we truly appreciate their generosity.
