- ⇒ Colts A and 1st Boys Rugby
- ⇒ Fillies A and 1st Girls Hockey

My heart is steadfast, O God, my heart is steadfast; I will sing, yes, I will sing praises!

Psalm 57:7

Discipline

This term, we are going to be focusing on discipline. I would ask that you support the school in this thrust. At the end of the day, the biggest influence on your child's discipline is your input at home. We can only smooth off the edges: your children are what you make them at home. I would recommend that you take the time to watch this video [link](#) as it will help you have a better understanding of what we are trying to do at school. Fix the small things and the big things will not happen.

We must all suffer one of two things: the pain of discipline or the pain of regret and disappointment. – Jim Rohn

Paths to School Improvement (PSI)

Lendy Park has been participating in the PSI programme over the last few years. This programme is run by the Association of Christian Schools (ACSI) Southern Africa and will end with a certification (providing the school meets the required standards) of quality assurance.

Lendy Park has chosen this route to provide the parent body with the secure knowledge that the school meets the required standards academically, spiritually and administratively to be a part of this body of schools (It is similar to the ATS but has a Christian requirement). We have just finished the training to implement the fourth stage of the programme which focused on policy and its implementation. In the coming term, new or updated policies will be rolled out. These policies will be circulated to the PA Committee for feedback before they are finally sent to the Board of Trustees for approval.

This is an ongoing process and we would value your input in this process so that we end up with a set of policies that ensures fairness, transparency and excellence in all that we do.

Click the [link](#) to read more about the programme.

Feedback

At Lendy Park, we strive to provide a service that meets the expectations of our parent body. Sometimes we get it right and, unfortunately, as we are not perfect, sometimes we do not.

We appreciate any feedback, both positive and negative, as we strive to always improve our service. While we might not always be able to give you what you want, we promise to give any feedback both thoughtful and careful consideration.
