## In a Flash

Watching the Lendy teams this last weekend was a wonderful experience. As I say goodbye to my own daughter who is leaving home in early June, I am filled with regret for the many times that I have been too busy to watch her play sport; to walk the dogs with her; to read her a story and a million other missed opportunities. When they fly the nest, as they must, these chances are never to be recovered. I know how busy life is these days, but don't waste the precious opportunities we do have.
