Mashonaland East Hockey

Congratulations to A. Washa, A. Mujuru, T. Mutama and M. Dhumbura (NTR) for being selected to represent Mashonaland East Province in the IPT hockey scheduled for later this term.

"Brothers, join in imitating me, and keep your eyes on those who walk according to the example you have in us."

Philippians 3:17

Do as I say and not as I do

Children are great imitators of those that they admire and respect. We all know this as we worry about the company our children keep: their friends and associates. In addition, we all have dreams for our children to be better than us. In many ways, that is why you have chosen Lendy Park School for your child - often at a great sacrifice.

How often though, do we consider how our own actions influence our children. I don't know why I am, but I am often surprised when I see myself in my children. We are the greatest role model for our children. They will copy what do and become a version of all those who have an influence in their lives. We need to think carefully and guard our words and actions as they will have an impact on who our children become. We make our children as a version of ourselves. We **must** act the way we want them to become or reap the consequences.
