"Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble." **1 Peter:3:8**

Looking back over the last term, I am amazed how quickly the time has gone. So much has been done of which we can be very proud.

On the sporting field, our tiny school has competed successfully against some of the 'big guns' of the ATS school grouping in the many sports on offer.

Our school will participate in the Mutinhimira Concert at Peterhouse next week. We also held a successful inter-house poetry competition where our children from the ECD upwards showed off their abilities.

The Jericho walk highlighted the development needs of the school and most importantly, made the children aware of what was needed, empowering them so that they feel a part of the process, and reminding us all to put our faith in God. The sense of unity felt through the school community was a real blessing. Thanks to the Parents' Association for their hard work to make the event such a success.

None of this would have been possible without the community of Lendy Park: the children; the parents; the staff, the trustees and the many supporters of our school. Thank you!

**Together, we are greater.**
