LENDY PARK SCHOOL THE PA NEWSLETTER Term 3 | September 2023

Hello Lendy Park Parents

Welcome to our first newsletter for term 3 – the “September” edition. As I type this, I have a smile on my face. So much wonderful work is going on at Lendy Park School – it can only be God. Where do I even start! On the top of my list, I am very pleased with the improved communication in our parents’ assembly. Communication is key to action. Thank you all for making time to read, respond and feedback to different communiques from the school. Second, I am so excited about our refurbished ablution block – I tell you the kid’s toilets are looking neat great paint job, brand new sinks and taps oh, they even have small mirrors in the bathrooms! For now, this will be my last one, I am grateful for the character of the children at Lendy School – the other day I was wondering about the school, and I met one of the grade 7 pupils “Marcus” he stopped to greet me

and he continued to tell me about his holidays. I asked him about form 1 and he is excited to be going to his first school of choice. If you know Marcus, he is a big boy but this whole time his demeanour was soft, polite yet assertive. Yes, I am one of those – I always stop to smell the roses. I am Grateful and continue to pray that my own sons will grow with Christ through Christ into God fearing gentleman.

We have a great line up of Parents Assembly Initiatives this term. Great time to get to know each other. I hope to see you all at these events. Our big fundraising goal this term is to paint the school and possibly fix up some of the classrooms to give our children a wholesome learning experience.

“The faithful are called to give thanks to God for everything—and not only to be thankful but to rejoice: Let us come into his presence with thanksgiving; let us make a joyful noise to him with songs of praise!” Psalm 95:2

Lendy Park Golf Day 22 September

What a wonderful community we are in. The future looks so bright. The Marondera community is coming through remarkably to sponsor our Golf Day. I want to specially highlight the Lendy Park parents who have businesses and have come in to sponsor the day – charity indeed begins at home. For Lendy Parents that are working for corporates and have gone above and beyond to ensure that

“Shato” as a totem. He said, “Mom what are anaShato like”.

Thank you to our parent body for the money donated to refurbish the ablution block. You are amazing. This holidays the work was completed. The whole first impression of the school has been raised. Thank you again.

the corporates support our day – thank you. And for our parents who play golf – thank you for signing up. I am because WE are – the true workings of ubuntu.

Culture Day: Mutupo 30 September 2023

Our teachers have done it again! It’s going to be a beautiful day. We will be reaching out in our class groups to bring together the contributions needed for our day. Kindly ensure that all the contributions are submitted by Wednesday 27 September 2023. An outline of the program will also be shared in the class groups. This is such a powerful initiative on many levels; our 5 year old son the other day asked me what it means to have
