**Galatians 6:2**

The Shona Culture Day was a wonderful event where our Lendy Community came together to celebrate the Shona Culture.

It was heartening to witness the oneness as our children, their families and the staff spent the morning together; participated in a number of activities and then shared a meal. A special thanks to all our parents who contributed towards this event - without your support it could not have happened.

Thanks also to all the staff of Lendy Park who worked so hard to ensure the events success. It brings to mind the saying 'Together we are greater.' Together, anything is possible for Lendy Park School.
