"Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and he will make straight your paths."

Proverbs 3:5-6

What is Our Vision?

In a recent discussion with some children about their choice of high school, I was struck by the fact that they all had very clear ideas about where they wanted to go, but most were unable to articulate the vision, mission, and values of their chosen school. When asked about our own school's mission and vision, they were equally clueless. This led me to wonder how many of us actually consider these things when choosing a school for our children. Why did you choose Lendy Park?

We are working hard to ensure that all of our children know our school values, but I can see that we need to do more to communicate our mission and vision as well. In relation to this, I would welcome your feedback and comments as we finalise the attributes that will define a Lendy Park boy and girl. **Our leavers are the fulfilment of our vision.** I would also value your feedback on how you feel we are performing in meeting these outcomes. Parents Association

A big thank you to everyone for your support for our fun day. It is this support, and the support over the course of the last year, that has enabled the PA to help fund the painting of the school, which is looking beautiful. If you have not seen the changes, please take a walk around the school to see the difference that you have made.

A big thank you to Mr Chipanda, Mr Makumbe, and Mr Dube for purchasing lunches for the Watershed and Bernard Mizeki children. This was gratefully received by the children and goes a long way to promoting our school in line with our values.

A big thank you to Mr Munyaka for his donation of paint for the interior of the classrooms. We will make good use of the paint, and it is greatly appreciated.

Lendy Park's Vision

To maintain a standard of excellence in all areas of teaching through dedication and commitment, to teach the child biblical foundation principles to help each one grow in his or her relationship with God, to help each child to grow his or her potential.
