A Day in the Life of a Lendy Park Student

I have been asked to provide some insight as to what happens during the course of the day at Lendy Park. The curriculum is rich in variety, including academic, cultural, sporting and spiritual activities. While there may be some variation for assemblies and other activities, this is the general format:

0730	Reading Session	1345	Afternoon Lessons & Infant Sports begin
0800	Devotions based on the Spiritual Formation Plan	1430	Grade 3 to 7 sports sessions begin
0830	Academic Lessons Begin	1635	All sports sessions end
1030	Break time	1700	Boarder homework supervised by a teacher on duty
1100	Lessons Continue	1800	Boarders return to hostels
1230	Infant Lunch / Home Time		
1300	Grades 3 to 7 Lunch		

Inter-house Cross Country

Congratulations to Hungwe for their victory today at the Inter-House Cross Country Competition. Even though one person or house has to come first, at Lendy Park we classify a winner as anyone who has given their all and done their best. I am immensely proud of the effort, commitment, compassion, grit and integrity on display today.
