"For in Him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him."

Colossians 1:16

This week, the staff participated in an excellent development workshop led by Cobus Sipsma, the regional coordinator for Southern Africa of the Association of Christian Schools.

During his presentation, Cobus posed a thought-provoking question: which teacher do you remember the best and **why**? The overwhelming response centred on the influence of teachers who had made a lasting impact in some way **and not on content taught**. This insight served as a powerful reminder that, in a Christian school setting, role modelling is a constant and crucial responsibility if we are to achieve our goals.

Cobus emphasised that our purpose extends beyond academic achievement, however important academic excellence remains in a Christian school. Our core objective is to nurture young men and women who embody Christian values in all aspects of their lives, becoming positive influences within the wider community. We strive **not only to prepare students for academic success** in higher education but also **to cultivate a future society governed by individuals grounded in strong Christian foundations**.

In essence, our mission is nation-building, not merely exam preparation. [View our ESO.](#)
