Grade 2 Furniture

A big thank you to the parents of the 2023 and 2024 Grade 2 year groups who raised the necessary finances, through their cake sales, to purchase the new furniture for the classroom.

"Prepare your work outside and make it ready for yourself in the field; afterwards, then, build your house."

Proverbs 24:27

It's all in the Dream

It has become increasingly evident that many of our children lack the intrinsic motivation **essential for success** in any endeavour. Without goals and aspirations, they will drift aimlessly through life, never truly excelling in any area. This is not an issue that the school can resolve alone; it necessitates parental involvement, as children greatly value the thoughts and ideas of their parents.

Assist your child in setting goals and discussing their dreams. Help them to identify their God-given talents and consider how these might be utilised. It is important for them to understand that they have been placed here for a specific purpose, contributing to God's plan for their lives. While their dreams may seem far-fetched at present, they provide a starting point from which to build. And who can predict what God has in store for them?
