Jericho Walk

Our theme for this year's Jericho Walk is about finding direction and having a purpose.

So many people are drifting through life without any special purpose and I fear especially for our young people. If our children lack purpose, and more especially a Godly purpose, they are likely to end up in a place where we do not want them to be.

This year, we aim to begin a journey as a school that will last until the end of 2025 that seeks to help our children find their God given purpose for their lives. This starts with the Jericho walk where we examine the story and find the truths in it that we can apply to our lives. These are simply:

Have a goal! Make a plan! Just Do It!
